Full Description:

This 4 bedroom family home, although needs some cosmetic work, retains lots of its original character and features including some beautiful stained glass windows, fireplaces and coricing.

Arranged over 3 floors, the house is entered through the front door into a small entrance porch where you will find a stained glass door that leads into a generous hallway. There are two principle reception rooms, a sitting room to the front with original fireplace and a large bay window and a dining room at the rear of the house.

The dining room has a single window that overlooks the garden, a brick inlaid fireplace, a display cabinet and two storage cupboards. Leading out from here through a glazed door to the kitchen which offers a range of storage units, gas hob, electric oven and extractor hood and space for a large fridge, washing machine and tumble dryer.

The garden is partially laid to patio with some shrubbery, it is tiered and a path leads up to a single garage with gated access to the rear lane. There is an outside toilet where you can also find the boiler.

On the first floor, there are three bedrooms and a family bathroom. The bathroom consists of toilet, sink, bath and overhead shower. Two of the bedrooms are double with the front room spanning the width of the property. One is
